A18 Control of Plumbers and Plumbing Work

(1) No person shall perform the trade of plumbing as contemplated in Government Notice No. R. 1875 of 31 August 1979 unless he is a **trained plumber** or works under the adequate control of a **trained plumber** or approved competent person.

(2) Where any person who is not a **trained plumber** has been practising the trade of plumbing and was required in terms of any local authority by-law to register with it before so practising in its area of jurisdiction, he may, if he is so registered, continue to practise in such area or the area of any other local authority if such registration is acceptable to such other local authority.

(3) No local authority shall, for the purposes of these Regulations, register any person to practise the trade of plumbing after the coming into operation of the Act.

(4) Any person not being a **trained plumber** or not being a person contemplated in sub regulation (2), who practises the trade of plumbing shall be guilty of an offence.

(5) Any **trained plumber** who causes or permits any person who is not a trained plumber or is not a person contemplated in sub regulation (2), to practise the trade of plumbing without adequately controlling the work done by such person, shall be guilty of an offence.

PIRB ASSESSMENT CRITERIA

All PIRB registered practitioners shall have in their possession the current compulsory SANS Codes of Practice, Building Regulations and Local Water Bylaws documentation for ease of reference.

Copies of these can be purchased/obtained from the South African Bureau of Standards SABS, Government Printers and Local Authorities.

In addition to the SANS Codes, plumbers will be expected to keep themselves informed on general plumbing industry knowledge as well as the latest developments and news. Plumbers are encouraged to subscribe to industry publications/newsletters/social media platforms etc.
