

SECTION A

PROCEDURE FOR REGISTRATION

- Complete all relevant sections below, attach all required documents and certificates.
- Incomplete application forms without the relevant certificates will not be processed.
- Upon completion, this signed application form, photos, certificates etc. can be scanned and emailed to masterplumber@pirb.co.za

SECTION B

ENTRY REQUIREMENTS FOR THE MASTER PLUMBER RECOGNITION PROGRAM

The following entry requirements must be met by all applicants wishing to enroll in the Master Plumber Recognition program:

- Must be a qualified and Licensed plumber in good standing with the PIRB;
- Must hold at least 2 PIRB specialisation designations: For example, solar and heat pump;
- Must have a minimum of 5 years* post plumbing qualification experience in both the maintenance and contracting fields of the plumbing industry;
- Must have completed an appropriate Safety, Health & Environment (SHE) training course or can show the relevant SHE experience;
- Must submit a comprehensive CV that gives evidence and support that the above requirements have been met;
- Must have paid the initial application Fee (See PIRB Rate Card).

* Consideration may be given to applicants who have less than 5 years post qualification experience, but will be required to have and show at least 10 years of plumbing experience (maintenance and contracting) prior to them obtaining their qualifications.

SECTION D

THE PIRB MASTER PLUMBER RECOGNITION PROGRAM

*(The following a brief over of the PIRB Master Plumber Recognition Program.
For in depth understanding visit pirb.co.za/master-plumber.)*

The PIRB Master Plumber Recognition Program (MPRP) is not a training program. The program is a recognition program of an individual's previous learning and years of experience. This designation recognizes prior learning by the candidate in the 5 key areas identified by the PIRB as the areas that is a Master Plumber. This program requires participants to provide proof of competence, knowledge and understanding in these 5 key areas. The program will also guide a candidate in the direction if they need to up-skill themselves in the respective areas.

Should an applicant meet the entry requirements for this designation (see section B) above, the applicant will register on the program, which consist of the following two phases:

Phase 1: During this phase of the program a candidate will be required to demonstrate their knowledge, skill, experience and competency in the 5 key areas of a Master Plumber.

These include:

- Business Management
- Leadership & Ethics
- Contract Management
- Training & Mentoring
- Applied Plumbing Principles

Details of the 5 Key areas can be found on the PIRB website under the Registration Tab > Designation > Master Plumber.

Once candidates have submitted the required evidence via the PIRB online learner management system, it will be reviewed by a panel of subject matter experts.

Upon successful completion of the review board, candidates will then be eligible to move on to phase 2 of the program.

Phase 2:

Phase 2 is an evaluation and an interview by a panel of master plumbers. During this phase the candidate will be required to complete a thesis on a specific topic related to the plumbing or building industry. As part of the evaluation and interview process the candidate will be required to do a presentation on their topic. Candidates will be required to complete this final phase successfully, before being awarded the Master Plumber designation and enter the Master Plumbers Guild.

A final evaluation fee will be levied to the applicant, at the time, as part of this phase 2 (See PIRB Rate Card).

DECLARATION

I _____ identification number _____ Declare that the information contained in this application, or attached by me to this application, is complete, accurate and true to the best of my knowledge. I further declare that by forwarding this completed application form to the PIRB I am acknowledging that I have read and fully understood what is and will be required of as an applicant of the PIRB Master Plumber Recognition Program.
